Brennan's - Swaziland Update: Making Disciples
March 11, 2013

Dear Friends, we hope all is well with you! Here's an update on what is happening in Swaziland: We have started another **ISOM** class and have over 80 students from 46 different churches. We have also started teaching **ISOM** at the Children's Cup - **Global Leadership Academy**. The Lord has also opened up opportunities for us to minister freedom and deliverance through Jesus Christ with the teachers at the Children's Cup CarePoints and with the YWAM staff in Swaziland. As we continue to make ourselves available for the Lord to use, he continues to stretch us and use us in new and different ways.

INTERNATIONAL SCHOOL OF MINISTRY UPDATES:

Pictured above are some of the first students to complete all 5 trimesters of ISOM. The Lord has been doing amazing things in each of them as they have applied the Word of God to their lives. Randy and I continually pray that the Lord use them to build the Kingdom of God here in Swaziland. Periodically, the Lord will give us a glimpse of how he is using these people in the marketplaces and it is AMAZING read more below!

Milton Dlamini: Milton works for one of the largest construction companies in Swaziland. Shortly after completing **ISOM**, the Lord spoke to him about planting a church. Within months, over 200 people were attending. After accepting Jesus as Lord and Savior they said, “we must be baptized”. Pictured is Milton baptizing one of 150 that were water baptized in the Zombodze River! In addition, Milton was recently awarded the “Employee of the Year” award for 2012 out of roughly 1000 employees! Pray for Milton as the Lord uses him to advance the Kingdom of God at his church and workplace!

Mlungisi Dlamini: Mlungisi is a quiet, soft spoken man who loves the Lord. He's a teacher at William Pitcher College, a college that teaches teachers in Swaziland. He instructs Math teachers for the nation of Swaziland! After one of the ISOM classes, the Lord prompted him to start door to door evangelism. He said “yes” to the Lord ... and he has led many people to the Lord, invited them to church and will be teaching ISOM classes at his church in 2013. The Lord has prompted him to give financially to support

ISOM. His financial commitment is allowing the Word of God to go farther and spread even faster throughout Swaziland! Pray that the Lord bless he and his family as they walk in obedience to the Lord.

Lathu Jonga: Lathu came to the Lord because Pastor Mbongeni Ndlovukazi knocked on his door and invited him to church. He has completed the **ISOM** courses and has recently started a monthly Agri-business magazine called **Limangwane** in Swaziland. In one of the first ‘Letters from the Editor’ he talks about how “God is a Farmer”. He points people to God our heavenly Father and urges them to trust in and rely on Him. Pray for him as he reaches out to an agricultural society and points them to Christ!

Dan Gama: Dan worked at a local government hospital called RFM for many years. Recently he was hired by the United States government and works for the CDC in Swaziland. (Center for Disease Control which is headquartered in Atlanta, Georgia) He continues to grow in his love for the Lord and is an active member in his church.

Prayers requests:

- For God's grace and anointing in teaching ISOM.
- For fruit in the lives of all those we have ministered to over the years.
- That the students will know the love of their heavenly Father through our ministry to them.
- That their hearts will receive the truth of God's Word and will cause them to change their thinking and walk in obedience to the Spirit.
- For us, that we will do as the Lord directs and continually point people to Jesus Christ, our Savior, protector, provider, healer and deliverer!

This is our prayer for YOU:

Colossians 1:9-10 For this reason, since the day we heard about you, we have not stopped *praying* for you and asking God to fill you with the knowledge of his will through all spiritual wisdom and understanding. And we *pray* this in order that you may live a life worthy of the Lord and may please him in every way: *bearing fruit in every good work, growing in the knowledge of God...*

Thank you for partnering with us to take the gospel of Jesus Christ to Swaziland and the nations!

Love, Randy and Karen
